

The World Identity Crisis

We are born into an unconscious world. Because of this unconsciousness, laws and governments have been established to maintain a degree of control over the masses. At the time of our birth, we are quickly given numbers and labels that will identify us during our time here. This is what we call “your fake identity birth”. Then from birth on, we are bombarded with distractions and are educated to accept survival mode, sickness, pain and death as something normal. We are taught to seek pleasures in the material world not only to fuel it, but also as a crutch to ease our discomfort while we are here. We are groomed and trained on either how to succeed or submit in order to comply with the agenda of rulers. Even the very languages we think with are based in part on unconscious traditions, myths, opinions, judgments and even lies. Institutions of religions, governments, organizations, corporations, and the educational system will influence and indoctrinate us with standards based on opinions, bias, or false truths. Out of the fear of not being accepted by society, we are coerced into believing and accepting these standards. Many are brainwashed to believe they are a victim, a race, a sickness, or poor.

All of the above has been cleverly instigated in order to distract you from discovering your True Divine Nature. You see, You are a strong and powerful Divine Being. That’s Reality! But you have been tied up and then robbed of your True Divine Identity. Stripped of your Divine Joy, Peace, Love, Creativity, Energy and Light. The Master illustrated the above this way:

“Indeed, no one can enter a strong man’s house to steal his possessions unless he first ties up the strong man. Then he can plunder his house.” Mark 3:27

Guess what? You are that strong man the Master mentions here. But “strong man” is just a metaphor for a Divine Being. Male or Female. Because we are All Divine Children of the One Great Life that lives us. That is the First Truth we shall know in order to free ourselves from slavery.

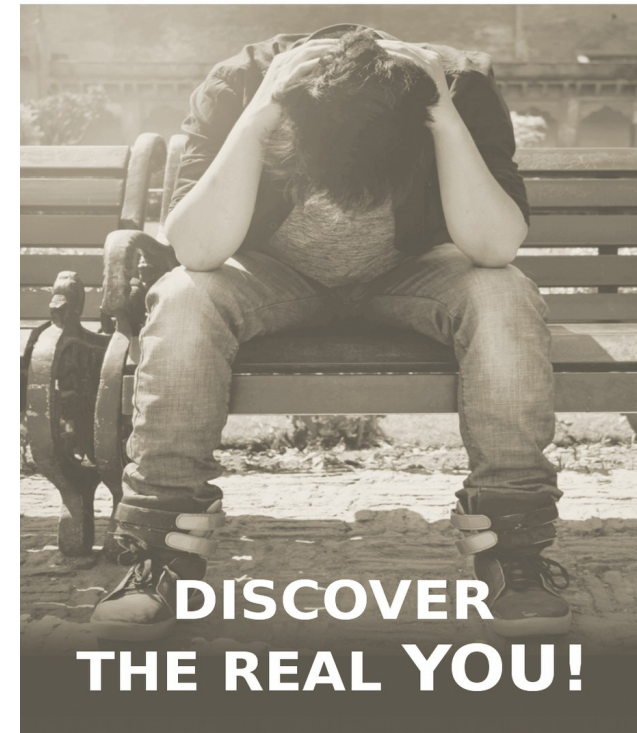

It is our nature to belong, to long for something and to be identified with something. Why? Well, it’s because we were made to belong. It goes deep into our soul and comes from our very Spirit within. It’s our Divine Nature. It is so important to resonate in tune with your True Divine Nature and take on your True Divine Identity as a Child of God. If we seek some other identity outside Self, Life will not be possible.

**OVERCOMING
THE
IDENTITY CRISIS**

**THE ONE
LIFE
THAT LIVES YOU**

The First Truth of Life

“And you will know the truth, and the truth will set you free.” John 8:32

What is our True Identity. It is what we call the “First Truth”. The “First Truth” is this: There is only One Life, One Breath, One Spirit, that lives us All. This “First Truth” is at the core of all ancient teachings, including the Eastern Teachings of Yeshua the Christ. This “First Truth” is woven into the fabric of the First Commandment. That shows how serious we shall take this “First Truth”.

“I am יהוה (YHWH) your God, who brought you out of the land of Egypt, out of the house of bondage. You shall have no other gods before me.” – Exodus 20:2

Notice we placed the Hebrew letters for God’s Name in the above Commandment. When we examine the meaning of each letter, we feel the full meaning of His Name. They mean Creator, Source of all Life, Divine One, the Divine spark that causes all to be, the only Connection that binds all creation, Divine Revelation, Gift of Life, Breath, and the Cause of all Being.

So we see God’s name means **One resonating Life** living us all, and why we shall recognize, or have reverence for this One Life and nothing else.

Therefore, God living us, is the very first thing we shall know about our Being. We will have reverence for this always. Next, we shall acknowledge and have reverence for God living everyone and everything else. This means we bow down to God living everyone else. We of course are not bowing down to any person, but we are bowing down to God living in them. Before we notice anything else about a person, we first and foremost, see and feel God living in them. Imagine how just this alone could make a difference.

Actually, the above Principle of the “First Truth” all perfectly ties in with the Greatest Commandment that the Master Yeshua quoted in Matthew 22:37-40

Jesus said to him, “You shall love the Lord your God with all your heart, with all your soul, and with all your mind.’ This is the first and great commandment. A second likewise is this, ‘You shall love your neighbor as yourself.’ The whole law and the prophets depend on these two commandments.”

First, our Love for God (***the One and Only Life***) is above all else. Only then we shall know how to feel God’s Love living within our Self. Flowing through every cell of our soul, heart, and mind. Then and only, will we know what Love feels like. Because how could we ever know how to love others (our neighbor) if we don’t know what Love feels like? If we don’t understand how to love our Self, we will end up hurting those around us.

Therefore, the “First Truth” that we are God living us is something that we can be conscious of at all times. There is nothing more important than this. It is our True Divine Identity. Our “I AM”. This is not something we just read or study about to gain knowledge of. No! This is something we can feel happening to us, practice tuning into with every single breath and heartbeat. Actually, before we can grow, we must become conscious of, and allow ***God’s Divine vibrating Life*** to flow or resonate through us. Only then can we move on and take on our True Divine Identity.

Our True Divine Identity is that we are All God living us. Again we say it! Because we cannot emphasize it enough. If One Life lives us, then One Love, One Joy, One Peace, One Good, One Light, One Spirit, One Truth and so on. You are All of those things living You. You never have to look outside your Self to find those Treasures. Because they have always been living right there within You. But You shall learn to feel them. Learn to bask in the Divine Flow of them.

So again, One more time! Let’s declare our True Divine Identity! I AM God living me, and so are You! You see, it’s not your job to live your life. Actually, it’s not even your life. There is only One Life! Period! But it is your job and your existence to feel God living You! Your job to express it! Your job to create with it! Your job to share it! Your job see and feel God living everyone else! You see, how we choose to express the Divine Flow of God living us, is what makes us a unique individual.

THE “FIRST TRUTH”, WE MUST ALWAYS KNOW, IS THIS: THERE IS ONE GREAT LIFE, LOVE & LIGHT LIVING US ALL. WE ALL SHARE THAT SAME EXACT DIVINE IDENTITY. WHAT MAKES EACH OF US UNIQUE, IS HOW WE EXPRESS GOD LIVING US. THE TIME HAS COME, AND IS NOW, TO LOOK EACH OTHER IN THE EYES AND SEE GOD LIVING US.

RACISM IS A JOKE! RACISM IS ONE OF THE BIGGEST LIES AND SCAMS PERPETRATED ON HUMANITY TO CONTROL AND MANIPULATE THE MASSES WITH FEAR AND DIVISION.

YOU ARE NOT A MAN MADE LABEL OF RACE OR VICTIM! YOU ARE GOD LIVING YOU! PERIOD! WE ALL ARE!
