

## YOU WILL KNOW THE FIRST TRUTH!

Did you know there is only One Life? **Only** One Life, that lives You. Lives in you and through You. Without that One Life, you would not be here at all. One breath that breathes You. One grand thought that thinks You. One Truth that makes you who You truly **Are**. One Light that lights you up with Energy. You Are that One Life. I Am that One Life. There is only One Spirit, One Truth, One Life and One Reality that flows, resonates and burns eternally in the vastness of Love and Light. The only **Now** there can ever be.

**Now!** Right Now, the time has come for You and for Me, to regain Consciousness of this First Truth. The Only One Truth and Life and the Only Way. This is what "**keep your eye single**" means. This is what "You shall have no other gods before Me", means. Consciousness that the One True Life, lives us all, means we must learn to **let it!** To **long** for it! **Feel it!** Don't block it! Go to any means necessary to keep it foremost in Your life! Because to long for something else outside of you, is unconsciousness.

### The world is suffering from an identity crisis.

Do not be deceived by those who use doctrines to hold a carrot over your head, promising you'll get in to paradise if you work just a little harder. They only want to convert you into taking on **their identity**. Do not be deceived by those who use fear of punishment and destruction to manipulate you for their own arrogant agenda. No organization, government, corporation, movement, religion, or social group in the unconscious material world has anything whatsoever to do with the Real Divine You.

**It is our nature to belong, to long for something and to be identified with something. Why? Well, it's because we were made to belong. It goes deep into our soul and comes from our very Spirit within. It's our Divine Nature. It is so important to resonate in tune with your True Divine Nature and take on your True Divine Identity as a Child of God. If we seek some other identity outside Self, Life will not be possible.**

## OVERCOMING THE IDENTITY CRISIS

**DO YOU REMEMBER YOUR  
DIVINE NATURE?**

**DO YOU REMEMBER WHO YOU WERE  
BEFORE YOU GOT DISTRACTED?**

**YOU CAN BECOME  
CONSCIOUS OF  
YOUR TRUE IDENTITY!**

# SEVEN STEPS OF CONSCIOUSNESS

## STEP 1

**Believe** in the First Truth daily. There is only One Life that lives us all. If One Life, then One Good, One Love, One Mind, One Joy, One Faith, One Presence in You, One Peace, One Power, and One Spirit. You are a Dependant or a Child of The One Life.

## STEP 2

**Deny** Yourself! Deny your "fake identity birth". Do not dwell on your imperfections. Regardless of what you've been programmed to believe, you were **Not** born a worthless, wretched sinner. Do

not take on false labels. Ever! You are **Not** inadequate!

## STEP 3

**Take** on Your True Identity! Read Step 1 again. That is who you **Are**. Be Perfect like God is Perfect! You will become what You think You are. Your works will be who You think You are. Practice

Consciousness of who You are. Embrace who You are. Love Your True Self. Live and resonate in tune with the One Life.

## STEP 4

**Let** go of clutter! Let go of the things that distract You from taking on your True Divine Identity. Let go of the things that keep You from resonating in tune with the Divine Flow of Spiritual Nutrients that make

Life Possible. Let go of your expectations of others. Don't let your bad habits be a distraction

## STEP 5

**Start** looking for the One Life that lives You in everything else and everyone else. When you look in the eyes of your fellow Being, start seeing God in them. Don't focus anymore on their imperfections. See only their potential for Perfection. Empower others by pointing out their Divine Attributes. Help others become conscious of their Divine Nature and **Share** that Joy together.

## STEP 6

**Do** according to who You **Are!** You are the One Life Living You! Do not **ever** do, to become! Only do, because of who You **Are!** Works are **Not** about obtaining some reward or payment! There is **No** payment or reward...Period! There is **Only** Eternal Abundance as long as we remain conscious of our True Divine Identity within the One Life.

## STEP 7

**Begin** to observe the profound changes in your Life! They **Will** happen if You follow the above steps. These changes didn't happen because You struggled and fought to get rid of your bad habits. These changes happened because You persisted in becoming conscious of your Real True Divine Identity as a Child of the One Life

that lives You. You will **Do**, who You **Are**. For whoever You think You are, is what You **Will** become. Enjoy Your New Spiritual Birth and Life Eternal! If You continue to remain **Conscious** of the First Truth, You will live forever and forever be **Free!**
